About the institute

Shri B. M. Shah College of Pharmaceutical Education and Research, Modasa was established in the year 1998 with the initiation of visionary trustees of **The M. L. Gandhi Higher Education Society** to cater the needs of pharmacy education in rural and backward areas like Sabarkantha in Gujarat.

The institute has been accredited for three years by National Board of Accreditation (**NBA**), affiliated with **Gujarat Technological University**, Ahmedabad and approved by All India Council of Technical Education (**AICTE**) and Pharmacy Council of India (**PCI**), New Delhi. Institute runs AICTE approved PG courses in Pharmacognosy, Pharmaceutics, Quality Assurance, Industrial Pharmacy and Pharmaceutical Analysis.

Vision of the institute is to nurture the students for educational excellence and scientific temperament with moral and ethical values that built the spirit of health care. Students had successfully realized our vision and mission within a few years by getting higher rank in GATE, GRE, TOFEL and university examination. The institute maintains excellence in academic and research activities. Our devoted teachers provide learning atmosphere and caring the students. Staff members are encouraged for carrier development. Thirty three scholars have been completed their Ph. D. from this Institute.

The institute is well equipped with conventional Analytical and Sophisticated instruments like double beam UV, FT-IR, AAS, Spectrofluorimeter, GC, HPLC, HPTLC, and modern equipments for the manufacture of drug formulations.

About the Workshop

The Pharmacy education in our country has witnessed tremendous expansion in last one decade. Pharmacy practice is poised for tremendous growth. The future is bright for pharmacy practice in our country as the need is well recognized and the stakeholders are keen to achieve quality pharmaceutical care in the country. This recognition has been well represented in the Mission and vision statements.

The National Seminar is aimed for motivating the academicians and young researchers to achieve quality in education with Industrial orientation. The invited speakers are well renowned and great expertise in their respective fields. The topics of discussions are adapted in such a way to focus the most critical aspects of Global Scenario of Pharmacy Education: Challenges and Opportunity. The seminar will provide a platform for interaction between students, researchers, academicians and expert from industry
