About the institute: Shri B. M. Shah College of Pharmaceutical Education and Research, Modasa was established in the year 1998 with the initiation of visionary trustees of **The M. L. Gandhi Higher Education Society** to cater the needs of pharmacy education in rural and backward areas like Aravalli in Gujarat. The institute has been accredited for three years by National Board of Accreditation (**NBA**), affiliated with **Gujarat Technological University**, Ahmedabad and approved by All India Council of Technical Education (**AICTE**) and Pharmacy Council of India (**PCI**), New Delhi. Institute runs AICTE approved PG courses in Pharmacognosy, Pharmaceutics, Quality Assurance Industrial Pharmacy and Pharmaceutical Analysis. Vision of the institute is to nurture the students for educational excellence and scientific temperament with moral and ethical values that built the spirit of health care. Students had successfully realized our vision and mission within a few years by getting higher rank in GATE, GRE, TOFEL and university examination. The institute is well equipped with conventional Analytical and Sophisticated instruments like double beam UV, FT-IR, AAS, Spectrofluorimeter, GC, HPLC, HPTLC, and modern equipments for the manufacture of drug formulations.

About The Seminar: It is our great and humble pleasure to welcome you for informative and intellectually stimulating seminar on **Recent Trends in Drug Development and Drug Delivery of Phytopharmaceuticals**.

Seminar Theme: The topics of discussions are adapted in such a way to focus the most critical aspects of Recent Trends in Drug Development & Drug Delivery of Phytopharmaceuticals. The seminar will provide a platform for interaction between students, researchers, academicians and expert from industry.

Major Objectives:

- To update recent trends in natural products drug development and delivery.
- To provide theoretical knowledge of novel drug delivery systems for drugs and phytochemicals.
- Recent trends in herbal drug development & research.
- A sound knowledge of emerging technology for enhancement of bioavailability of herbal extracts/ phytoconstituents.

Additionally, there will be a poster session, and **THREE** best poster presentations will be selected for the award.

Poster Presentation: Abstracts of research/review paper comprising not more 300 words, summarizing neatly typed in Times New Roman (12) cm on A4 size paper with single spacing (send abstract by E-mail only), by **25th January, 2016** along with the duly filled in registration form to icmr2016bmcper@gmail.com. The

acceptance of Papers for presentation will be intimated.

Subject

- Natural products drug discovery
- Pharmacological Aspects in Herbal Drugs and Modern Medicine
- Nutraceuticals
- Pharmacology, Drug Screening & Clinical Research
- Pharmaceutical Analysis & Quality Assurance
- Pharmaceutical Technology
- Drug Discovery, QSAR and Molecular Modeling

Resource Persons

Eminent resource persons from academia and industry will deliver in depth information in the scientific session.

Eligibility

Pharmacy Teachers/UG & PG students & Research Scholars of Pharmacy College and industry.

Registration Fee

Academicians:	250/-
UG/PG / Research students	200/-
Industry Personal	300/-
