Our Mission

Our creed to generate globally competent health care professionals, striving towards excellence through benchmark system by fostering multifacious quality education in heritage of pharmacy

Our Vision

To nurture the students for educational excellence and scientific temperament with moral and ethical values that built the spirit of health care.

President's Message.....

DR. ARUNBHAI N. SHAH

President

The M. L. Gandhi H. E. Society, Modasa

We must foster the youth with power of knowledge to strengthen a society. They must be educated as the global citizen and the contributor in forming India as a 'knowledge hub'. Education is indeed the foundation for development and empowerment. With this motive, the M. L. Gandhi Higher Education Society was established in 1960 and started Arts, Science, Commerce, Education and Law colleges to nurture the basic need of the surroundings.

The feature distinguishes man from animals is the desire of man to improve quality of life by curing and preventing diseases to improve human health and hygiene. Our visionary management had established diploma Pharmacy College in 1991 and degree in 1998 with generous donation from Shri B. M. Shah and Modasa Nagrik Sahkari bank. With a view to promote the research activities in pharmacy profession, management started M.Pharm (PG centre) in 2006 with generous donation from family of Lilachnd Gulabchand Bhalawat.

More new developments and strategies are waiting to be born. It has been determined that our college will definitely be a shining star in the world. Still there would be many milestones to achieve in the path of education and our institute will appreciate to include any suggestion from you.

I extend my warm invitation to pharmaceutical companies to collaborate with us for research and development and to conduct campus interviews. We are sure to upgrade our infra-structure to keep pace with the latest development in the field. It is a matter of pride for me to state our students are doing well wherever they are working. I wish all the students for their brilliant career.

A. N. SHAH

Dr. Arunbhai N. Shah

Vice President's Message.....

NAVIN R. MODI

Vice President

The M. L. Gandhi H. E. Society, Modasa

I am extremely happy to release "Placement brochure-2011" for the students of our pharmacy college. I have been taking keen interest in the development of the college quite spontaneously, because pharmacy had remained closer profession to me for years.

Looking to the expansion of pharmaceutical industry in Gujarat, our management felt the need for a pharmacy college in Modasa. Our dream was realized with the kind generous donation from Shri B. M. Shah and The Modasa Nagarik Sahakari Bank Ltd., Modasa. The management has taken keen interest for the development of this college. It is pride to have a well-equipped pharmacy college with modern equipments like HPLC, HPTLC, U.V. double beam spectrophotometer Infrared spectroscopy and rotary tablet machine. Students perform experiments with the help of these equipments and are trained to handle them independently. This helps them to have a good exposure to prove fruitful in future while joining pharmaceutical industries.

College has a garden having medicinal plants and animal house approved by CPCSEA. We always strive to make the students competent in all aspects; including practical and theoretical knowledge to be assessed by industrial houses.

Our dream realized when AICTE had approved a center for post-graduate studies (M. Pharm) in Pharmaceutics, Quality Assurance and Pharmacognosy in order to setup an advanced research. This helps in inventing new drugs and proves very useful in the development of pharmaceutical industry. We are proud of the bright results of the college in the university exams, GPAT exam 2010 and having bright faculty. Our faculty members are well qualified; Ph.D./ pursuing their Ph. D., which have created a research atmosphere. I wish our students a bright future.

Navin R. Modi

Mr. Navin R. Modi

Principal's Desk

DR. N. M. PATEL

Principal

BMCPEP, Modasa

Medicine and mankind have been inseparable since times immemorial; and the human brain is always engaged to find out the different aspects, ways and means related to human health, hygiene and medicine to cure and prevent the diseases. Pharmacists play a key role in health care system through knowledge based research, manufacture and distribution of quality and cost-effective drugs and pharmaceuticals.

Indian Pharma is India's flagship industry with estimated turn over of \$ 19 billion. It is world's third largest by volume and fourteenth in terms of values. There are about 60,000 generic brands across 60 therapeutic categories. Country now produces more than 20% of the world's generics. There are about 250 large R & D based units including multinational, government and private. India has highest number of USFDA approved manufacturing plants outside the US. Indian firm may take opportunities to manufacture substantial share of these drugs with its high quality research, low cost manufacturing facilities and skilled personnel.

With the above motive MLGHES established Shri B. M. Shah College of Pharmaceutical Education and Research, Modasa with generous donation from Shri B. M. Shah and Modasa Nagrik Sahkari bank and MLGB Pharmacy Post Graduate center with generous donation from Bhalavat family.

The All India Council for Technical Education (AICTE), New Delhi, the Directorate of Technical Education, Govt. of Gujarat and the Pharmacy Council of India (PCI), New Delhi has approved this college. The College is affiliated to Gujarat Technological University, Ahmedabad.

The institute provides excellent learning environment. It has an excellent infrastructure auditorium, seminar hall and classrooms equipped with computers and modern teaching aids. Well-equipped library with approximately 5500 Pharmacy related books, 85 periodicals and journals, CDs and video cassettes.

GOALS / OBJECTIVES :

- To create facilitating environment that would encourage and support college to make an effort for excellence to achieve an international standards.
- To develop quality manpower (pharmacy professional) in the areas of high international demand for relative advantage in international trade to our country.
- To develop strong linkages between college and the community.
- To offer opportunities of skills and knowledge up-gradation to students, working professionals and other.
- To provide best possible infrastructure, competent teachers and teaching - learning processes to produce graduates and post-graduates at accepted levels of competence in knowledge, skills and attitude so that they can function as educators, scientists, pharmacists, health care professionals and function in pharmaceutical organization.

Dr. N. M. Patel

**THE M. L. GANDHI HIGHER
EDUCATION SOCIETY, MODASA**

RUNS

**SHRI B. M. SHAH COLLEGE
OF
PHARMACEUTICAL EDUCATION
AND RESEARCH,
MODASA.**

(YEAR- 2010-11)

Modasa is known for educational centre from the primary to the postgraduate level. Looking at the need of pharmacist in Gujarat state our visionary management had established Diploma Pharmacy college in 1991, Degree Pharmacy college in 1998 and Post graduate (M. Pharm) in 2006 with the help of generous donation from Bhogilal Muljidas Shah, Modasa Nagrik Sahakari Bank Limited and Lilachand Bhalavat's family. All the institutions have grown to their excellence and become prestigious at national level. The successful team of BMCPEP comprises of Director, Professor, six Associate professor and 14 Assistant professor out of which 8 had awarded Ph. D and 10 registered for Ph. D degree. Nine batches comprising 573 students passed out. About 170 students have migrated abroad for higher studies; few are pursuing higher studies in various institutions of India and rests of them are working with various institutions and industries. The college is equipped with sophisticated instruments and highly informative books and journals and will definitely achieve its goals by the whole hearted and tireless support and positive attitude of the management in every aspect.

Our future plan is focused to

1. Accreditate the college by National Board of Accreditation of AICTE, New Delhi
2. Introduced new Post graduate courses in other branches of Pharmacy.
3. Strengthen the industry-academy interaction.
4. Uplift the health care services in the society by developing community awareness.

BMCPEP

Shri B. M. Shah College of Pharmaceutical Education and Research (BMCPEP) Modasa, established in 1998, is providing better education, practical training in the field of pharmacy. BMCPEP is approved by All India Council for Technical Education & Pharmacy Council of India, New Delhi and have permanent affiliation with Hemchandracharya North Gujarat University, Patan and Gujarat Technological University.

The institute is committed for excellent education in the pharmacy profession and has following infrastructure facilities.

Departments

1. Pharmaceutics and Pharmaceutical Technology Department

Machine Room:

This laboratory is well furnished with sophisticated instruments as per AICTE norms. These instruments impart practical training for processing of various pharmaceutical dosage forms like NDDS, Tablets, Capsule, Ointments, Parenteral, Liquid orals and Packaging Science.

Pharmaceutics Laboratory I and II :

These well-furnished laboratories gratify to the practical requirements of the subjects Technology of drugs & cosmetic, Biopharmaceutics & dosage form design, Biological pharmacy, Physical pharmacy, Dispensing pharmacy and Unit operations.

Pharmaceutical Engineering Laboratory :

This laboratory is equipped with various flow meters and manometers useful for providing training for measurement of fluid flow including orifice meter, venturi meter, rotameter, ejector pump and manometers. It is also equipped with drawing instruments for teaching a subject of pharmaceutical engineering drawing.

Pharmaceutical microbiology laboratory :

This laboratory is designed for class A aseptic area for Parenteral manufacturing as well as microbiological manipulations, this will help the students to familiarizes with current good manufacturing practices (CGMPs), design development and maintenance of aseptic area, growth, cultivation, isolation and identification of microbes. It also familiarizes the students with procedures for sterility testing and microbiological assays.

2. Pharmaceutical Chemistry Department :

Pharmaceutical Chemistry Laboratory I and II :

These well cross-ventilated laboratories provide facilities for practical synthesis in Pharmaceutical Medicinal Chemistry, Structure elucidation of medicinally important compounds, identification of organic and inorganic compounds, CADD and QSAR studies. Microwave oven is the heart of laboratory which provides rapid and efficient synthesis of medicinally important compounds.

3. Quality Assurance Department

Pharmaceutical Analysis Department :

This laboratory focuses over development of new analytical techniques for newer drugs in bulk and dosage forms. The department also works on stability study and drug-drug interactions in dosage form using techniques like HPLC, HPTLC, FTIR Spectroscopy and U.V. spectroscopy. It helps students to familiarize with modern methods of analysis and good laboratory practice (GLP). It is used for the analysis and quality control of drugs & pharmaceutical.

Sophisticated instruments laboratory :

A well furnished & well equipped sophisticated instrument laboratory train students with the state of art analytical instruments like HPLC, HPTLC or double beam - U.V. spectrophotometer, FT-IR, Spectrofluorimeter and refrigerated research centrifuge. This laboratory assists students to undertake various research projects.

4. Pharmacognosy Department

Pharmacognosy Laboratory :

Now since this Department has started M. Pharm course, hence we are planning to focus our energy towards standardization and evaluation aspects of herbal drugs and cosmetic preparations to come out with new molecule from herbal drugs.

Department provides esteemed guidelines to the students regarding natural sources of drugs and Phytochemical screening through various instruments like Gas chromatography, Binocular microscope, Projecting microscope, TLC spreader, Clevenger's apparatus for isolation of various active constituents. We assist regional people for the identification of medicinal plants by providing important morphological features of original medicinal plants located in herbarium museum.

Research laboratory-1 & 2 :

These laboratories provide basic knowledge for identification, extraction, isolation, fractionation, standardization of medicinal plants, Ayurvedic formulations, Homeopathic tinctures etc. for better utilization of crude drugs.

Medicinal Garden:

A medicinal garden within the campus is there to cater the need of Pharmacognosy department. The medicinal plants are tagged with their biological nomenclature and Categories used in Phytochemistry and Pharmacognosy. Now since the department has started M. Pharm in the subject, hence we are planning to expand the garden in terms of introducing new medicinal plants.

5. Pharmacology Department

Pharmacology Laboratory :

This Laboratory is equipped with instruments to carryout experiments on skeletal muscle relaxants, CNS stimulants and depressants, Memory enhancement, analgesics and anti-convulsant activity. It is also equipped with instruments to carryout isolated tissue experiments. This well equipped department trains the students in the practical study of Anatomy, Physiology, Health education, Pharmacology and Bioassay of various drugs.

Animal House : Animal House is well ventilated, housed with different species of animals and is approved by CPCSEA, Chennai.

6. Central Computer Facility :

Computer laboratory is well equipped with latest computers in LAN to impart practical training in computer programming, use of computers in pharmacy, use of electronic media and freely exploit of internet as well as computer aided drawing for students. It is equipped with latest software. There are twenty six computers including the two servers in this laboratory.

7. Central Library :

Library is furnished with informative text books and reference books related to subjects. There are 958 titles of books and 3,663 volumes in the library. It subscribes more than 75 Journals including 7 international journals of academic interest. It has more than 52 CD-ROM. It is computerized with SOUL software. It also has internet & photocopier facilities. Barcode scanner is employ for transaction of books. Library has sitting arrangements separately for Faculty and students.

8. Class Rooms :

A well furnished class rooms provide knowledge and necessary information regarding their studies and skill for their carrier development. Class room is equipped with OHP projector and LCD as a modern means of teaching aids.

Faculty List

DR. N. M. PATEL (M. Pharm., Ph.D.)
Principal / Director

Dept. of Pharmaceutics :

HOD - Dr. M. R. Patel (M. Pharm., Ph. D.), Asso. Professor

- Dr. K. R. Patel (M. Pharm., Ph. D.), Asso. Professor
- Dr. M. S. Patel (M. Pharm., Ph. D.), Asso. Professor
- Dr. S. S. Patel (M. Pharm., Ph. D.), Asso. Professor
- Mr. T. J. Mehta (M. Pharm.), Asst. Professor
- Mr. A. D. Patel (M. Pharm.), Asst. Professor
- Mr. M. J. Patel (M. Pharm.), Asst. Professor
- Mr. A. A. Mehta, Lab Assistant
 - Mr. G. P. Dave, Peon
 - Mr. D. C. Sagar, Peon
 - Mr. G. B. Prajapati, Peon

Department of Chemistry :

HOD - Dr. L. M. Prajapati (M. Pharm. Ph. D.), Asso. Professor

- Mr. S. J. Purohit (M. Pharm.), Asst. Professor
- Mr. J. R. Patel (M. Pharm.), Asst. Professor
- Mr. S. S. Shah, Lab Assistant
- Mr. A. M. Prajapati, Peon

Department of Quality Assurance :

HOD - Dr. P. M. Patel (M. Pharm., Ph. D.), Professor

- Mr. A. K. Joshi (M. Pharm.), Asst. Professor
- Mr. M. L. Kharodiya, Asst. Professor
- Mr. N. B. Patel, Lab Assistant
- Mr. D. K. Soneri, Peon
- Mr. R. R. Rabari, Peon

Department of Pharmacognosy :

Professor Dr. Hiren D. Patel (M. Pharm. Ph. D), Visiting Faculty

HOD - Dr. A. A. Patel (M. Pharm. Ph. D.), Asso. Professor

- Mr. D. D. Prajapati (M. Pharm.), Asst. Professor
- Mr. A. J. Patel (M. Pharm.), Asst. Professor
- Mr. J. G. Patel (M. Pharm.), Asst. Professor
- Mr. H. B. Patel, Lab Assistant
- Mr. J. R. Panchal, Peon

Department of Pharmacology :

HOD - Ms. R. S. Patel (M. Pharm.), Assist. Professor

- Mr. S. A. Patel (M. Pharm.), Assist. Professor
- Mr. S. K. Shah, Lab Assistant
- Mr. K. P. Parmar, Peon

Library :

- Mr. B. J. Patel, Librarian
- Mr. S. K. Bhagora, Peon

Computer Lab :

- Mr. C. R. Shah, Computer Lab Assistant

Administrative Staff :

- Ms. A. P. Shah, Storekeeper
- Mr. G. P. Shah, Sr. Clerk
- Mr. M. M. Suthar, Sr. Clerk
- Mr. P. N. Shah, Peon
- Mr. R. K. Prajapati, Peon
- Mr. D. S. Valand, Peon
