

Dr. Arunbhai N. Shah President The M. L. Gandhi H. E. Society, Modasa

## President's Message......

At the outset, I express my great pleasure and honour on the release occasion of Placement 2012, which holds a mirror to our achievements of the year. I congratulate the entire team of the college for their wholehearted devotion and hard work, which have resulted into the constant and consistent progress of the institution.

The vital role that the pharmacy plays in our daily life and overall growth is acknowledged in every corner of the nation during the last six decades since independence. There has been a rapid expansion in research and development in the healthcare sector of the nation. However, the issues, which need to be looked after are the quality of research with specific reference to the constantly varying needs of the society. Presently, Gujarat is gradually becoming the hub of pharmaceutical industry. Our college has developed positive attitude to maintain the standard of pharmacy education.

I am proud to declare that our institute is accredited by NBA, Candidacy status has been honoured by evaluation committee of International Accreditation Organization and M. Pharm courses in the Pharmacognosy, Pharmaceutics, Ouality Assurance, Industrial Pharmacy and Pharmaceutical Analysis have been approved by AICTE. The College is the pride of our campus.

It is my warm invitation to pharmaceutical companies to collaborate with us for research and development and to conduct campus interviews. We assure to upgrade our infra-structure to keep pace with the latest development in the field of pharmaceutical sciences. It is a matter of pride to state our students are working well wherever they are.

I wish brilliant career for all the students.

A· M· SWM Dr. Arunbhai N. Shah

## Vice President's Message......

I am extremely happy to release "Placement brochure-2012" for the students of our pharmacy college. I have been taking keen interest in the progress of the college quite spontaneously, because pharmacy had remained closer profession to me.

Looking to the expansion of pharmaceutical industry in Gujarat, our management felt the need for a pharmacy college in Modasa. This dream was realized with the generous donation from Shri B. M. Shah, The Modasa Nagarik Sahakari Bank Ltd., Modasa and Bhalavat family. The management took keen interest in the development of pharmacy colleges. We always strive to make the students competent in all aspects; including practical and theoretical knowledge to be assessed by industrial houses.

NBA has accredited our B. Pharm course, International Accreditation Organization (IAO) evaluation committee has awarded the Candidacy Status and AICTE has approved post-graduate (M. Pharm) courses in Pharmaceutics, industrial Pharmacy, Pharmaceutical Analysis, Ouality Assurance and Pharmacognosy. This will help in invention of new drugs and in the development of pharmaceutical industry. We are proud of with the bright results of the students in the university exams, GPAT – 2011exam and having devoted faculty.

I wish bright future of our students.

Mr. Navin R. Modi

# Principal's Desk

DR. N. M. PATEL Principal BMCPER, Modasa

It is my immense pleasure to release '**Placement Brochure 2012**', covering brief profiles of our Final B. Pharm and M. Pharm students for their better prospective.

Indian Pharma is India's flagship industry and world's 3rd largest by volume and 14th in terms of values. India has highest number of USFDA approved manufacturing Plants outside the US. Gujarat contributes Lion's share in it. India produces some of the world least expensive drugs due to labour cost 50-55% lower than in the west, Clinical trial 1/10, while R&D cost are 1/8 of US. Indian firm may take opportunities to manufacture with its high quality research, low cost manufacturing facilities and skilled personnel.

Our college was established in 1998 with a view to provide excellent man power to Indian Pharma industry. It has been accredited by NBA, awarded the Candidacy Status by evaluation committee of IAO and post-graduate (M. Pharm) courses in Pharmaceutics, Quality Assurance, Industrial Pharmacy, Pharmaceutical Analysis and Pharmacognosy have been approved by AICTE.

It provides excellent infrastructural facilities; which include well furnished laboratories with latest equipments, computerized library with highly educative & informative text books, national & international journals and publications. College has made various innovative programs to make pioneer institute in the field of Pharmacy education and sciences by intangible relationship and practical training, the teaching tactics comprise of research oriented projects, guest lectures, industrial visits, computer aided technologies and more of interactive and application oriented learning. Our students are skilled with conceptual knowledge, highly professional and ready to face the new challenges.

I am sure **Placement Brochure 2012** will surely bridge between the industry, our institute and the students.

I wish every success, happiness and prosperity to my students through **Placement- 2012.** 

Dr. N. M. Patel

### THE M. L. GANDHI HIGHER EDUCATION SOCIETY, MODASA Runs "NBA Accredited"

## SHRI B. M. SHAH COLLEGE OF PHARMACEUTICAL EDUCATION AND REASEARCH, MODASA.

### (YEAR- 2011-12)

Modasa is known for educational centre from the primary to the postgraduate level. Looking at the need of pharmacist in Gujarat state our visionary management had estab-lished Diploma Pharmacy College in 1991 and degree Pharmacy College in 1998 with the help of generous donation by Shri Bhogilal Muljida Shah and Modasa Nagrik Sahakari bank limited. Both the institutions have grown to their excellence and become prestigious at national level. I have been fortunate to work as a pioneering principal of both the colleges. The successful team of BMCPER comprises of Director/ professor, 6 Associate professor and 13Assistant professor out of which 12 have registered for Ph. D., and 7 scholars have been awarded PH. D. Degree. Ten batches of about 633 students have passed out of the college. More than 300 students have migrated abroad for higher studies; few are pursuing their higher studies in various institutions of India and rest of them working with various institutions and industries. The college if well equipped with sophisticated instrument and highly informative books and journals. The college will definitely achieve its goals by the whole hearted and tireless support and positive attitude of the management in every aspect.

#### Our future plan is focused to

- 1. Accreditate the Post Graduate department by National Board of Accreditation of AICTE, New Delhi
- 2. Introduced new Post graduate courses in other branches of Pharmacy.
- 3. Strengthen the industry-academy interaction.
- 4. Uplift the health care services in the society by developing community awareness.

#### **BMCPER**:

Shri B. M. Shah College of Pharmaceutical Education and Research (BMCPER) Modasa, established in 1998, is providing better education, practical training in the field of pharmacy. BMCPER is approved by All India Council for Technical Education & Pharmacy Council of India, New Delhi and have permanent affiliation with Hemchandracharya North Gujarat University, Patan and Gujarat technological University.

The institute is committed for excellent education in the pharmacy profession and has following infrastructure facilities.

Post Graduate Building

# Departments

## 1. Pharmaceutics and Industrial Pharmacy Department

**Machine Room :** This laboratory is well furnished with sophisticated instruments as per AICTE norms. These instruments impart practical training for processing of various pharmaceutical dosage forms like NDDS including lyophilized product, Tablets, Capsule, Ointments, Parenteral, Liquid orals and Packaging Science. The department equipped with rotary tablet machine, Lyophilizer, Spray Drier, Dissolution Test Apparatus USP, UV Spectrophotometer, Spray Coater, BOD Incubator and many other Auxiliary tools.

## Pharmaceutics Laboratory I and II :

These well-furnished laboratories gratify to the practical requirements of the subjects Technology of drugs & cosmetic, Biopharmaceutics & dosage form design, Biological pharmacy, Physical pharmacy, Dispensing pharmacy and Unit operations.

## Pharmaceutical Engineering Laboratory :

This laboratory is equipped with various flow meters and manometers useful for providing training for measurement of fluid flow including orifice meter, venturi meter, rotameter, ejector pump and manometers. It is also equipped with drawing instruments for teaching a subject of pharmaceutical engineering drawing.

## Pharmaceutical Microbiology Laboratory :

This laboratory is designed for class A aseptic area for Parenteral manufacturing as well as microbiological manipulations, this will help the students to familiarizes with current good manufacturing practices (CGMPs), design development and maintenance of aseptic area, growth, cultivation, isolation and identification of microbes. It also familiarizes the students with procedures for sterility testing and microbiological assays.

## 2. Pharmaceutical Chemistry Department :

## Pharmaceutical Chemistry Laboratory I and II :

These well cross-ventilated laboratories provide facilities for practical synthesis in Pharmaceutical Medicinal Chemistry, Structure elucidation of medicinally important compounds, identification of organic and inorganic compounds, CADD and QSAR studies. Microwave oven is the heart of laboratory which provides rapid and efficient synthesis of medicinally important compounds.

## 3. Quality Assurance and Pharmaceutical Analysis Department

## Pharmaceutical Analysis De ment :

This laboratory focuses over development of new analytical techniques for newer drugs in bulk and dosage forms. The department also works on stability study and drug-drug interactions in dosage form using techniques like HPLC, HPTLC, FTIR Spectroscopy and U.V. spectroscopy. It helps students to familiarize with modern methods of analysis and good laboratory practice (GLP). It is used for the analysis and quality control of drugs & pharmaceutical.

### Sophisticated Instruments Laboratory :

A well furnished & well equipped sophisticated instrument laboratory train students with the state of art analytical instruments like HPLC, HPTLC or double beam - U.V. spectrophotometer, FT-IR, Spectrofluorimeter and refrigerated research centrifuge. This laboratory assists students to undertake various research projects.

## 4. Pharmacognosy Department :

**Pharmacognosy Laboratory** : Now since this Department has started M. Pharm course, hence we are planning to focus our energy towards standardization and evaluation aspects of herbal drugs and cosmetic preparations to come out with new molecule from herbal drugs.

Department provides esteemed guidelines to the students regarding natural sources of drugs and Phytochemical screening through various instruments like Gas chromatography, Binocular microscope, Projecting microscope, Microtome, TLC spreader, Clevenger's apparatus, Rotary Evaporator for isolation of various active constituents. We assist regional people for the identification of medicinal plants by providing important morphological features of original medicinal plants located in herbarium museum.

**Research laboratory-1 & 2**: These laboratories provide basic knowledge for identification, extraction, isolation, fractionation, standardization of medicinal plants, Ayurvedic formulations, Homeopathic tinctures etc. for better utilization of crude drugs.

Medicinal Garden : A medicinal garden within the campus is there to cater the need of Pharmacognosy department. The medicinal plants are tagged with their biological nomenclature and Categories used in Phytochemistry and Pharmacognosy. Now since the department has started M. Pharm in the subject, hence we are planning to expand the garden in terms of introducing new medicinal plants.

## 5. Pharmacology Department :

Pharmacology Laboratory : This Laboratory is equipped with instruments to carryout experiments on skeletal muscle relaxants, CNS stimulants and depressants, Memory enhancement, analgesics and anti-convulsant activity. It is also equipped with instruments to carryout isolated tissue experiments. This well equipped department trains the students in the practical study of Anatomy, Physiology, Health education, Pharmacology and Bioassay of various drugs.

Computer laboratory is well equipped with latest computers in LAN to impart practical training in computer programming, use of computers in pharmacy, use of electronic media and freely exploit of internet as well as computer aided drawing for students. It is equipped with latest software.

#### Animal House :

Animal House is well ventilated, housed with different species of animals and is approved by CPCSEA, Chennai.

### 7. Central Library :

Library is furnished with informative text books and reference books related to subjects. There are 958 titles of books and 3,663 volumes in the library. It subscribes more than 75 Journals including 7 international journals of academic interest. It has more than 52 CD-ROM. It is computerized with SOUL software. It also has internet & photocopier facilities. Barcode scanner is employ for transaction of books. Library has sitting arrangements separately for Faculty and students.

### 8. Class Rooms :

A well furnished class rooms provide knowledge and necessary information regarding their studies and skill for their carrier development. Class room is equipped with OHP projector and LCD as a modern means of teaching aids.
