## *President's Message.....*

I consider it to be an honour and opportunity to present before you a group of young, dynamic individuals who have been groomed to face challenges ahead for them in the industry and corporate world as a whole. A meticulous academic procedure has equipped students with proficient and special skills to do well in various demanding situations with ease and confidence.

Our institute was established with the generous donation from Shri B. M. Shah, The Modasa Nagarik Sahakari Bank Ltd., Modasa and Bhalavat family in 1998. The management has always taken keen interest in the development of Pharmacy College. Within a short span of 15 years we have made our presence felt strongly in this competitive educational sector and we have many firsts to our credit. Our NBA accreditation speaks of our commitment to quality systems and education. Our credentials are well appreciated by many industries, pharmacy institutes, professional bodies, government organizations etc.

I genuinely believe that our students will be well received by the industry. This brochure contains all the relatable information required for your participation in your placement process. With immense pleasure we invite you to the Shri B. M. Shah College of Pharmaceutical Education and Research.

## *Vice President's Message.....*

It gives us immense pleasure to invite you in the Placement Program 2013 to recruit our final year students for placement in your esteemed organization.

Shri B. M. Shah College of Pharmaceutical Education and Research is an institution really with a difference. Under the Guidance of an able and qualified teachers institute is budding to emerge as one of the best institute for pharmacy studies.

We wish to bring to your kind notice for promoting the campus employment opportunities for students of the Shri B. M. Shah College of Pharmaceutical Education and Research located in the rural areas.

We spare no efforts to groom our students, not only in their chosen discipline, but also broaden their mindsets and create positive attitudes thus equipping them with all qualities to make them an asset to whichever organization they may join.

We are proud of with the bright results of the students in the university exams, GPAT – 2012 exam many competitive exams.

I wish bright future of our students.

**SHRI B. M. SHAH COLLEGE OF PHARMACEUTICAL  
EDUCATION AND RESEARCH, MODASA.**

(YEAR- 2012-13)

Modasa is known for educational centre from the primary to the postgraduate level. Looking at the need of pharmacist in Gujarat state our visionary management had established Diploma Pharmacy College in 1991 and degree Pharmacy College in 1998 with the help of generous donation by Shri Bhogilal Muljidas Shah and Modasa Nagrik Sahakari bank limited. Both the institutions have grown to their excellence and become prestigious at national level. I have been fortunate to work as a pioneering principal of both the colleges. The successful team of BMCPER comprises of Director/ professor, 6 Associate professor and 10 Assistant professor out of which 6 have registered for Ph. D., and 11 scholars have been awarded Ph.D. Degree. Eleven batches of about 702 students have passed out of the college. About 328 students have migrated abroad for higher studies; few are pursuing their higher studies in various institutions of India and rest of them working with various institutions and industries. The college is well equipped with sophisticated instrument and highly informative books and journals. The college will definitely achieve its goals by the whole hearted and tireless support and positive attitude of the management in every aspect.

**Our future plan is focused to**

1. Accreditate the Post Graduate Department by National Board of Accreditation of AICTE, New Delhi.
2. Introduced new Post graduate courses in other branches of Pharmacy.
3. Strengthen the industry-academy interaction.
4. Uplift the health care services in the society by developing community awareness.

**BMCPER :**

Shri B. M. Shah College of Pharmaceutical Education and Research (BMCPER) Modasa, established in 1998, is providing better education, practical training in the field of pharmacy. BMCPER is NBA Accredited, approved by All India Council for Technical Education & Pharmacy Council of India, New Delhi and have permanent affiliation with Gujarat Technological University.

The institute is committed for excellent education in the pharmacy profession and has following infrastructure facilities.

**B.Pharm Building****Post Graduate Building***Principal's Desk***DR. N. M. PATEL***Principal***BMCPER, Modasa**

It is my immense pleasure to release ‘**Placement Brochure 2013**, for better prospective of our Final B. Pharm and M. Pharm students with their brief profiles.

Our college was established in 1998 with an objective to provide excellent man power to Indian Pharma profession. It is accredited by NBA, awarded the Candidacy Status by IAO and AICTE approved B. Pharm and post-graduate (M. Pharm) courses in Pharmaceutics, Quality Assurance, Industrial Pharmacy, Pharmaceutical Analysis and Pharmacognosy.

Our college provides excellent infrastructural facilities; which include well furnished laboratories with latest equipments, computerized library with highly educative & informative text books, national & international journals and publications. College has made various innovative programs to make pioneer institute in the field of Pharmacy education and sciences by intangible relationship and practical training, the teaching tactics comprise of research oriented projects, guest lectures, industrial visits, computer aided technologies and more of interactive and application oriented learning. Our students are skilled with conceptual knowledge, highly professional and are ready to face the new challenges.

Our experienced and highly qualified teachers are Ph.D. guides have published research papers in national and international journals and organized and attended national seminars. More than 25 M. Pharm and Ph.D. thesis were published by Lambert publication.

I am sure our **Placement Brochure 2013** will supportive to bridge between Pharma Industry and our students.

I wish every success, happiness and prosperity to my students through **Placement- 2013**.

# Departments

## 1. Pharmaceutics and Industrial Pharmacy Department :

### Machine Room :

This laboratory is well furnished with sophisticated instruments as per AICTE norms. These instruments impart practical training for processing of various pharmaceutical dosage forms like NDDS including Lyophilized Product, Tablets, Capsule, Ointments, Parenteral, Liquid orals, Multiparticulate and Packaging Science. The department equipped with Rotary tablet machine, Lyophilizer, Spray Drier, Dissolution Test Apparatus USP, UV Spectrophotometer, Spray Coater, BOD Incubator, Extruder and Spheronizer, Homozinizer and many other Auxiliary tools.

### Pharmaceutics Laboratory I and II :

These well-furnished laboratories gratify to the practical requirements of the subjects Technology of Drug & Cosmetics, Biopharmaceutics & Dosage Form Design, Biological Pharmacy, Physical Pharmacy, Dispensing Pharmacy and Unit Operations.

### Pharmaceutical Engineering Laboratory :

This laboratory is equipped with various flow meters and manometers useful for providing training for measurement of fluid flow including orifice meter, Venturi meter, Rotameter, Ejector pump and Manometer. It is also equipped with drawing instruments for teaching a subject of pharmaceutical engineering drawing.

## Pharmaceutical Microbiology Laboratory :

This laboratory is designed for class A aseptic area for Parenteral manufacturing as well as microbiological manipulations, this will help the students to familiarizes with current good manufacturing practices (CGMPs), design development and maintenance of aseptic area, growth, Cultivation, Tissue Culture, Isolation and identification of Microbes. It also familiarizes the students with procedures for sterility testing and microbiological assays.

## 2. Pharmaceutical Chemistry Department :

### Pharmaceutical Chemistry Laboratory I and II :

These well cross-ventilated laboratories provide facilities for practicals for synthesis in Pharmaceutical Medicinal Chemistry, Structure elucidation of medicinally important compounds, identification of organic and inorganic compounds, CADD and QSAR studies. Microwave oven is the heart of laboratory which provides rapid and efficient synthesis of medicinally important compounds.

## 3. Quality Assurance Department :

### Pharmaceutical Analysis Department :

This laboratory focuses over development of new analytical techniques for newer drugs in bulk and dosage forms. The department also works on stability study and drug-drug interactions in dosage form using techniques like HPLC, HPTLC, FTIR Spectroscopy and U.V. spectroscopy. It helps students to familiarize with modern methods of analysis and good laboratory practice (GLP). It is used for the analysis and quality control of drugs & pharmaceutical.

### Sophisticated instruments laboratory :

A well furnished & well equipped sophisticated instrument laboratory train students with the state of art analytical instruments like HPLC, HPTLC or double beam - U.V. spectrophotometer, FT-IR, Spectrofluorimeter and refrigerated research centrifuge. This laboratory assists students to undertake various research projects.

#### 4. Pharmacognosy Department : Pharmacognosy Laboratory :

Now since this Department has started M. Pharm course, hence we are planning to focus our energy towards standardization and evaluation aspects of herbal drugs and cosmetic preparations to come out with new molecule from herbal drugs.

Department provides esteemed guidelines to the students regarding natural sources of drugs and Phytochemical screening through various instruments like Gas chromatography, Atomic absorptions spectrophotometer, Binocular microscope, Projecting microscope, Microtome, TLC spreader, Clevenger's apparatus, Rotary Evaporator for isolation of various active constituents. We assist regional people for the identification of medicinal plants by providing important morphological features of original medicinal plants located in herbarium museum.

#### Research Laboratory-1&2 :

These laboratories provide basic knowledge for identification, extraction, isolation, fractionation, standardization of medicinal plants, Ayurvedic formulations, Homeopathic tinctures etc. for better utilization of crude drugs.

#### Medicinal Garden :

A medicinal garden within the campus is there to cater the need of Pharmacognosy department. The medicinal plants are tagged with their biological nomenclature and Categories used in Phytochemistry and Pharmacognosy. Now since the department has started M. Pharm in the subject, hence we are planning to expand the garden in terms of introducing new medicinal plants.

#### 5. Pharmacology Department :

#### Pharmacology Laboratory :

This Laboratory is equipped with instruments to carryout experiments on skeletal muscle relaxants, CNS stimulants and depressants, Memory enhancement, analgesics and anti-convulsant activity. It is also equipped with instruments to carryout isolated tissue experiments. This well equipped department trains the students in the practical study of Anatomy, Physiology, Health education, Pharmacology and Bioassay of various drugs.

#### Animal House :

Animal House is well ventilated, housed with different species of animals and is approved by CPCSEA, Chennai.

#### 6. Central Computer Facility :

Computer laboratory is well equipped with latest computers in LAN to impart practical training in computer programming, use of computers in pharmacy, use of electronic media and freely exploit of internet as well as computer aided drawing for students. It is equipped with latest software. There are twenty six computers including the two servers in this laboratory.

#### 7. Central Library :

Library is furnished with informative text books and reference books related to subjects. There are 1512 titles of books and 7126 volumes in the library. It subscribes more than 75 Journals including 7 international journals of academic interest. It has more than 52 CD-ROM. It is computerized with SOUL software. It also has internet & photocopier facilities. Barcode scanner is employ for transaction of books. Library has sitting arrangements separately for Faculty and students.

#### 8. Class Rooms :

A well furnished class rooms provide knowledge and necessary information regarding their studies and skill for their carrier development. Class room is equipped with OHP projector and LCD as a modern means of teaching aids.
