EDUCATION AND REASEARCH, MODASA.
(YEAR- 2013-14)

Modasa is known for educational centre from the primary to the postgraduate level. Looking at the need of pharmacist in Gujarat state our visionary management had established Diploma Pharmacy College in 1991 and degree Pharmacy College in 1998 with the help of generous donation by Shri Bhogilal Muljida Shah and Modasa Nagrik Sahakari bank limited. Both the institutions have grown to their excellence and become prestigious at national level. I have been fortunate to work as a pioneering principal of both the colleges. The successful team of BMCPER comprises of Director/ professor, 5 Associate professor and 10 Assistant professor out of which 1 have registered for Ph. D., and 10 scholars have been awarded PH. D. Degree. Twelve batches of about 916 students have passed out of the college. About 356 students have migrated abroad for higher studies; few are pursuing their higher studies in various institutions of India and rest of them working with various institutions and industries. The college is well equipped with sophisticated instrument and highly informative books and journals. The college will definitely achieve its goals by the whole hearted and tireless support and positive attitude of the management in every aspect.

Our future plan is focused to
1. Accreditate the Post Graduate department by National Board of Accreditation of AICTE, New Delhi
2. Introduced new Post graduate courses in other branches of Pharmacy.
3. Strengthen the industry-academy interaction.
4. Uplift the health care services in the society by developing community awareness.
